EXCHANGE, 109 1/2 %.									

* Free from the State Income Tax of 5 per Cent.

N. B. The Interest on the Sterling Bonds, and on those Bonds where the Exchange is fixed, is payable in London: the Interest on all the others is payable in America, at the Exchange of the day.

* By order of the Committee of the Stock Exchange, the accruing Interest is added to the price in all transactions in Canadian Railroad Bonds. This rule applies to no other securities quoted in this List.
